

## **First District RESA Announces Position for Executive Director**

First District Regional Educational Service Agency (RESA) is seeking a highly qualified and dynamic Executive Director, who has the ability to foster a culture of accountability and high performance for self and staff that aligns with the mission of First District RESA to deliver exemplary educational services that supports continuous school improvement. The person selected for the position should be supportive and responsive to the concerns and needs of those who make up First District RESA. He/She must possess good listening skills, serve as a role model for the behavior he/she expects of others, and be able to advocate and support First District RESA each year as educational legislation is being discussed and/or adopted. First District RESA is seeking an individual with excellent leadership skills who maintains the highest standard of ethics, honesty and integrity in all personal and professional matters. This candidate should be a strong communicator in speaking, listening and writing. The role of Executive Director will be a full-time position with an anticipated start date of July 1, 2018.

Interested applicants must submit a letter of interest, resume and professional references to the Chairman of the Board of Directors for First District RESA, Dr. Robert Waters at [rwaters@longcountyschools.org](mailto:rwaters@longcountyschools.org). Deadline for submission is February 28, 2018. Those selected for interviews will be notified via e-mail no more than two weeks following the closing date.
